The Church is free to people from the parish. For people who use the Church and live outside the Parish there is a request for a gift of €500 to cover expenses of the Church. This is separate from the personal gift for the priest celebrating the wedding Mass, altar servers and sacristan. Please make sure to speak with your priest (in terms of availability) before you submit this form. We advise you not to book a hotel until you receive confirmation that the Church is available. The Parish accepts this notification of marriage subject to accuracy of information supplied. A letter of confirmation will be issued by the parish to verify your booking. Later you will be required to complete a Church Pre-Nuptial Enquiry form.
