### DATE FOR THE DIARY

Kilcock Men’s Shed are holding an Open Day on Sunday, 8<sup>th</sup> July from 10am to 6pm in the Shed on Church St. Come along and have a great day of music and song and bring the family – all welcome.

*Life is a gift to be used everyday,  
Not to be smothered and hidden away;  
It isn’t a thing to be stored in a chest  
where you gather your keepsakes  
and treasure your best.*

*It isn’t a joy to be sipped now and then,  
and promptly put back in a dark place again.  
Life is a gift that the humblest may boast of  
and one that the humblest may well make the most of,  
Get out and live it each hour of the day,  
wear it and use it as much as you may.*

### ONE DAY AT A TIME

Finish every day  
and be done with it.  
You have done what you could.  
Some blunders and absurdities  
no doubt crept in;  
forget them as soon as you can.  
Tomorrow is a new day;  
begin it well and serenely  
and with too high a spirit  
to be cumbered with  
your old nonsense.

This day is  
all that is good and fair.  
It is too dear,  
with its hopes and invitations,  
to waste a moment on the yesterdays.

*Ralph W. Emerson*

### THINK OR WORRY

You can think about your problems or you can worry about them, and there is a vast difference between the two.

**Worry** is thinking that has turned toxic. It is jarring music that goes round and round and never comes to either climax or conclusion.

**Thinking** works its way through problems to conclusions and decisions; worry leaves you in a state of tensely suspended animation. When you worry, you go over the same ground endlessly and come out the same place you started. Thinking makes progress from one place to another; worry remains static. The problem of life is to change worry into thinking and anxiety into creative action.

### THOMAS JEFFERSON’S DECALOGUE

1. Never put off till tomorrow what you can do today.
2. Never trouble another for what you can do yourself.
3. Never spend your money before you have it.
4. Never buy what you do not want, because it is cheap.
5. Pride costs us more than hunger, thirst and cold.
6. We never repent of having eaten too little.
7. Nothing is troublesome that we do willingly.
8. How much pain have cost us the evils which have never happened?
9. Take things always by their smooth handle.
10. When angry, count ten, before you speak; if very angry, count a hundred.
