What you are in love with, what seizes your imagination, will affect everything It will decide what will get you out of bed in the mornings, what you will do with your evenings, how you spend your weekends, what you read, who you know, what breaks your heart, and what amazes you with joy and gratitude. Fall in love, stay in love, and it will decide everything.

*Blessed is he who has learned to admire but not envy,
to follow but not imitate,
to praise but not flatter,
and to lead but not manipulate.*

A SPECIAL PRAYER FOR YOU

Oh, Blessed Father, hear this prayer
and keep all of us in Your care.

Give us patience and inner sight, too,
just as You often used to do.

When on the shores of the Galilee,
You touched the blind and they could see
And cured the man who long was lame
when he but called Your Holy Name!

You are so Great
we are so small

And when trouble comes
as it does to us all

There's so little that we can do
except to place our trust in You!

So take the Saviour's loving hand
and do not try to understand.

Just let Him lead you where He will
through “pastures green and waters still”

And place yourself in His loving care
and He will gladly help you bear

Whatever lies ahead of you
and God will see you safely through.
And no earthly pain is ever too much
if God bestows His merciful touch.

So I commend you into His care
with a loving thought and a Special Prayer
And always remember, whatever betides you
God is always beside you.
And you cannot go beyond His love and care
for we are all a part of God,
and God is everywhere!
