If you teach a man to fish, he will eat for the rest of his life.

If you are thinking a year ahead, sow seed.

If you are thinking ten years ahead, plant a tree.

If you are thinking one hundred years ahead, educate the people.

By sowing seed, you will harvest once.

When you are feeling joy, capture it.

Joy.... lifts us like a wave in the ocean, allowing us to briefly glimpse the shore and giving us momentum that lasts until we get there.

Make a list of all the things in your life which gives you joy. Keep them safe, turn to it when feeling sad or in need of a pick me up!
