**EASTER SUNDAY**

Easter Day is the greatest day in the Church's calendar. Jesus has overcome death, not only for himself, but for all of us. The joy of Easter fills all the earth, the joy that death has been conquered. We open our hearts to receive this great joy.

*Lord Jesus, through the grace of your resurrection you show us that light is stronger than darkness.*

**Lord, have mercy.**

*You show us that good is stronger than evil.*

**Christ, have mercy.**

*You show us that life is stronger than death.*

**Lord, have mercy.**

*On Easter Day we still feel pain, our own pain and the pain of others. But a new element has been introduced. It doesn't remove the pain, but gives it a meaning and lights it up with hope. All is different because Jesus is alive and speaks his words of peace to us. Therefore, there is a quiet joy among us, and a deep sense of peace. Jesus has broken the power of death, and given us the hope of eternal life. Lord, guard this hope with your grace, and bring it to fulfilment in the kingdom of Heaven.*
